

# Careround24 – Your Home Our Care Care

Live safely, happily, and independently at home  
with our trusted live-in care.

Regulated by the **Care Inspectorate** for your peace  
of mind.

# Our Care Objectives

## Exceed Standards

We aim to surpass Care Inspectorate's safety and quality requirements.

## Compassionate Care

Consistent, kind caregivers build trust and comfort for clients.

## Flexible Plans

Care adapts to changing health, preferences, and lifestyle needs.

## Ongoing Training

Caregivers receive continuous education in best practices and first aid.

# Our Mission

-  **Empathetic Care**  
Providing compassionate support in the comfort of home.
-  **Peace of Mind**  
Bringing reassurance to families through trusted care.
-  **Consistency & Trust**  
Delivering reliable care with familiar, friendly faces.
-  **Dignity & Respect**  
Upholding every individual's dignity with respectful, personalized care.
-  **Holistic Wellbeing**  
Caring for the physical, emotional, and social needs of every individual.

# About Us

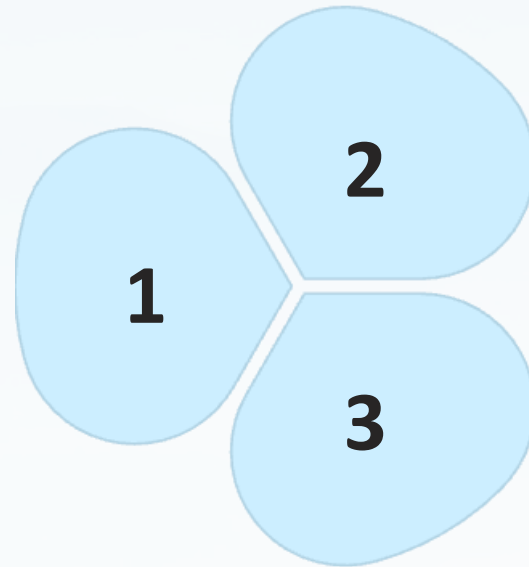

Choosing the right care is a deeply personal decision. We provide support every step of the way.

Our flexible services help you or your loved one stay safe and comfortable at home longer.

From companionship to 24-hour live-in care, we tailor support to your unique needs and preferences.

## Personalized Care

Customizable to meet individual health and lifestyle requirements.

## Comprehensive Services

Includes personal care, vital sign monitoring, and companionship.

## Home Comfort

Care in familiar surroundings for security and peace of mind.

# Why Choose Us

-  Regulated by Care Inspectorate ensuring safe, high-quality care
-  Personalized Care Plans tailored to each individual's unique needs
-  Experienced, Compassionate Caregivers who value respect and kindness
-  Improved Quality of Life through supportive, independence-focused care
-  Strong Support System for both clients and caregivers alike
-  Flexible scheduling to meet changing care requirements
-  24/7 availability for emergency and ongoing support
-  Continuous caregiver training in latest care techniques

# The Right Care in Your Own Home

## Benefits of Care at Home

- Remain independent in the home you love and know
- Alternative to residential nursing care with 1-to-1 support
- Flexible services that adapt as needs change
- Assistance with household chores and daily living
- Caring companionship and opportunities for social interaction
- Dedicated local team responding quickly to your needs
- Familiar environment helps delay age-related illnesses

We listen to your needs and create a personalized care plan.

Visit [www.careround24.com](http://www.careround24.com) for our guide.

# Our Care Services

## Hourly Care Services

Professional help for personal hygiene, medication reminders, and light housekeeping. Flexible to fit your schedule without full-time commitment.

## Personal Care

Respectful, person-centered care to maintain dignity and comfort in hygiene and daily routines.

## Home Help Care

Assistance with daily tasks and personal needs to promote independence at home.

## Live-In Care

Live-in care from Careround24 provides 24/7 support at home with trained professionals, letting you stay comfortably in familiar surroundings.

## Overnight Care

Round-the-clock support ensuring restful sleep and safety during the night.

## Companionship Care

Social and emotional support to improve quality of life, focusing on connection rather than medical needs.

# Why Choose Live-In Care?

## Benefits of Live-In Care

- Stay safe and avoid stress of change or separation
- Maintain independence and your lifestyle
- Companionship and emotional support
- Help with medication, personal care, and household chores
- Peace of mind for you and your family
- Dedicated one-to-one care beyond residential homes

## Our Support Specialties

- Brain injury and stroke recovery
- Parkinson's, MS, and degenerative conditions
- Respiratory and cancer care
- Palliative and end-of-life support
- Catheter, tracheostomy, and PEG feeding care

# Different Types of Live-In Care

## Respite Care

1

Short-term flexible care for breaks, hospital stays, or holidays.

2

## Companionship & Support

# Get the Right Care for Your Loved One

- 1 Personalized 1-to-1 Live-in Care**  
Tailored to individual needs.
- 2 Dedicated Hometouch Carers**  
Receive better pay than agency carers.
- 3 Unique Matching Service**  
Greater choice, control, and transparency.

# What Makes a Great Carer?

## Compassion and Skills

Carers must combine compassion with professional skills.

## Rigorous Vetting

We select carers after rigorous vetting and PVG checks.

## Experienced Carers

Only well-trained and experienced carers are chosen.

## Matching Service

Our unique matching service pairs carers with your loved one's needs.

## Consultation

We conduct a phone consultation to ensure your satisfaction.
